In claim 1, the word *anolog* in the preamble is replaced by *compound* as suggested by the examiner. The missing bond is inserted between the two oxygen's in the first ring. The missing "period" is inserted at the end of the claim.

In claims 2 and 5, the missing "period" is respectively inserted at each end in compliance with the examiner's teaching.

Claim 4 was *not entered*. Claim 6 is canceled without traverse.

No new matters are included in the claim amendment. Specification, drawing and abstract remain unchanged.

Applicant now respectively requests that a timely Notice of Allowance for claims 1-3 and 5 be issued in this case.
